Dear Sirs,

ISS Global A/S – EMTN Programme

Further to our e-mail of 27th May 2005 (attached for ease of reference), where we informed you about the replacement of the Board of Directors of the Issuer, we would like to inform you that today the Board of Management, consisting of Flemming Schandorff and Thorbjørn Graarud, was replaced by Richard Sharp.

We would also like to inform you that today the shares held by ISS Health Care AB (a wholly owned subsidiary of the Issuer) in the joint venture with EQT, formed on 1 February 2005, was sold to EQT as contemplated by the Tender Offer announced on 29 March 2005 to the shareholders of ISS A/S. ISS Health Care AB realised a net gain of approx. 100 million DKK on the sale of the shares. The transaction was effected on terms and conditions similar to those, which applied to the sale of the health care activities to the joint venture on 1 February 2005.

Best regards

ISS Global A/S
